

# Camp Y-Noah Packing List

## WHAT TO PACK FOR CAMP

Here are some tips to follow while packing for your camper.

1. Pack with your camper so he/she & you know what is going to camp.
2. Mark all items, clothes, suitcases & bags with your camper's initials or name.
3. CAMPERS GET DIRTY & MESSY. Pack old clothes & shoes. Goodwill is a great place to shop.
4. Check off the items packed as well as the quantity. This helps the cabin counselor keep track.
5. DO NOT pack electronic items, valuables, firearms, weapons or pets (you laugh it's been done).
6. Stick to the list when packing space is limited in the cabin.

YMCA Camp Y-Noah is not responsible for lost clothing or personal items. A Lost & Found station is set up at check out for you to look for items that may be your campers. All lost & found items left at camp are donated to Goodwill.
